

# WINTER EVENTS

**(701)572-6083 Register Today! 3515 W Front St**

**Saturday dates begin at 10am**

**Tuesday dates begin at 7pm**

## Miniature Gardening

**JAN 14TH - FEB 4TH - MAR 7TH**

The topic that allows you to explore worlds within worlds! Unleash your creativity! In this workshop we'll explore the concepts of miniature, terrarium, and Fairy Gardening. We'll focus on the care and design of these various table top creations.

## Kokedama

**JAN 21ST**

Learn about this unique form of Japanese Bonsai called Kokedama. "Koke" meaning "moss" and "dama" meaning "ball". Plants are wrapped in a "moss ball" for display. These can then be suspended in the air with string if desired. This should prove to be a fun and interesting workshop and we hope you'll plan to join us for this fascinating topic!

## Desktop Aquascaping

**FEB 11TH**

Do you have a space that is very dark? Are you afraid you will never find a plant for that space, let alone remember to care for it? This topic is for you! Here we'll use aquatic plants to create a tabletop aqua scene. The care of these creations could not be easier!

## The Art of Bonsai Creation

**JAN 28TH - FEB 21ST**

In this workshop we'll focus on the art of Bonsai creation. Learn how REAL Bonsai are trained and bred. We'll teach you the basics of Bonsai creation and care while creating your own miniature tree to decorate your home with. This is one workshop you won't want to miss!

## Planting Outdoor Pots

**APRIL 22 - APRIL 29**

In this workshop we'll cover the basics of outdoor pot design. Choosing the right plants, fertilizing and caring for them, and how to arrange them for just the right look! Enjoy a stunning arrangement by your front door all summer. We'll teach you how!

## Succulent Wreath Design

**MARCH 21**

Explore the beauty, diversity, and tenacity of this incredible group of plants. In this workshop we'll use materials to create your own wreath of living succulents to hang on your wall, decorate your home with, even take outside this summer! Plan to join us as we celebrate the group we affectionately call "the Superman of plants!"

**There is a registration fee for most of these events. You can pay this fee by stopping down to visit us, or directly on our website!**

# WINTER EVENTS

**(701)572-6083 Register Today! 3515 W Front St**

**Saturday dates begin at 10am**

**Tuesday dates begin at 7pm**

## Macrame Plant Hangers

**FEB 25TH**

A popular method of displaying plants in days gone by is making a comeback! We'll teach you some of the more basic patterns and even include a plant and a pot for you to take home that day. No longer can the issue of space be the reason for not having plants in your home!

## Hypertufa

**FEB 18TH**

With a recipe of Portland Cement, Peat Moss, and water, Hypertufa is born! This malleable material can be shaped in all kinds of ways and has all kinds of uses in the garden! Create unique pots, or even your own small garden art. The possibilities are literally endless! In this workshop, we'll teach you how, and get your creativity flowing!

## Resurrection Scene

**APR 1ST**

In this event we'll celebrate the death and resurrection of our Savior by creating a Living resurrection scene. Care for and watch this scene grow as you talk about the meaning of the Easter season with your family.

## Perennial Garden Design

**JAN 7TH - MAR 14TH**

In this workshop we'll focus on the design and care of a garden space that will beautify your outdoor area year after year. In this seminar we'll focus on many aspects of garden design. From light needs to attracting pollinators, to staggering blooming times. Plan to join us for a session of learning and exploring plants!

## Freshwater Aquarium Setup

**JAN 17TH**

Have you wanted to have an aquarium and or fish but are afraid that you won't be able to keep them alive. Join us for this session and we'll share with you the basics of aquarium care and maintenance. From the aquascape in the tank, to water changes. We'll also cover the needs of various freshwater fish.

## Vegetable Gardening

**MAR 4TH - APR 4TH**

Would you rather grow something you can eat, than flowers you can only look at? In this seminar we'll cover the basics of vegetable gardening. We'll discuss various gardening methods both old and new, as well as tips and tricks of how to get the most out of your vegetable gardening space.

**Are you a 4H leader, Troop leader, or group leader of any kind? Are you looking to do something plant themed for your event? Contact us! We'd be happy to work with you.**
